A Modern Day Problem

It's *not* that God is inactive or silent. It's that we've forgotten how to *see* and *hear*.

Many have not heard or seen modeled what it looks like to share of God's goodness and His miraculous work. They have not been trained and still do not understand what it is to *hear or discern His Voice*, proclaim *His Miraculous ways*, or share of *His Goodness* in a time when, arguably, is most needed. In "These last days".

A Miraculous & Powerful Solution

*"I want you to testify about Me in your life.
The full testimony of what I've done in your life.
The problem you have, is you think your
testimony about you. I delivered you, freed you,
and pulled you out of bondage. So that,
you could share of My Goodness."*

Overwhelming Need

*A Discipleship Ministry Model Created to Help Others
See God and Share The Testimony of His Miracles.*

- **Averaging 2000+ sessions a year at one campus of the nation's largest evangelical church year after year for almost 10 years reveals the ongoing need.**
- **Most churches do not have** the staff, funding, calling or time to provide this ministry on an ongoing basis to their local body of Christ.
- Discipleship is ongoing, relational ministry focusing on Inner Healing, Deliverance and Authority~ not just an event or weekend ~ delivered the way it works for them: individual/couple/group sessions, in person/ laptop/mobile, coupled with events both large and small.

BONDAGE

- Why do destructive behaviors devastate Christian families generation to generation?

DESTRUCTION

- Why do so many Christians experience minimal life transformation after coming to Christ?

MIMIMAL CHANGE

- Why are so many Christians still in bondage to anger, addictions, depression & relational brokenness?

What's Missing?

2 INHERIT, NOT JUST ENTER THE KINGDOM

- Go past salvation and forgiveness of sin, into the radical transformation of freedom in love.

4 LIVE AS AN HEIR WITH AUTHORITY

Testimony

See God and Share The Testimony of His Miracles.

"I was on a serious path to self destruction. I was addicted to alcohol and pornography, and was about to lose my wife. I came to a place of brokenness and desperation and went to see Mark for some healing. He lovingly, gently and without any condemnation took me into the presence of Jesus where I found healing and freedom. He is an incredibly insightful, warm, and effective counselor."

— BRAD, Husband, and Father,

Endorsements

“Your hungry and thirsty heart for God will be filled. Your immediate family, extended family and other people you influence will be changed and affected by your walk with God. I also heard Psalm 27:13-14 for you – I remain confident of this: I will see the goodness of the Lord in the land of the living. Wait for the Lord; be strong and take heart and wait for the Lord.” — JC, Church Elder, 2011

“A man of men. You will speak to and lead thousands of men.” — CT, Church Pastor, 2012

“You have an excitement about you. I just sense the Lord pointing out that there is a lid in your life and it's related to the issue of scaling. It is time to take what you're doing here and do it here on a much larger scale. The time to see small is over. God is going to give you big strategies, because they are going to be required.” — PM, Guest Presbyter, 2017
